It is through the collaborative relationships that we build with one another that we transform challenges into opportunities.

OCTOBER 2014

September Meeting:

The September meeting was hosted by **Expressway Trucks**. The crew from Expressway Trucks gave an excellent presentation on their Hino line of trucks.

October Meeting:

The October meeting will be hosted by **Reefer Sales & Service Inc.** Leading North America in the service and sales of temperature managed transportation equipment over the past 25 plus years, Reefer Sales of Mississauga has become the leading provider of temperature-managed hardware, equipment, service and support. Bruce Forbes Senior Manager, Technical Service will share what they have learned from food and pharmaceutical customers that cold chain security - both from a temperature abuse and tampering perspective - is of paramount concern. As we are impacted by the care given the food on our tables and the medications our loved ones require, this evenings presentation will be of interest and educational on where the temperature controlled industry has made major technology gains, reduced emissions and the application of telematics.

New Members:

Please welcome, Angelo Cosco of Mohawk College.

Sponsorship:

If anyone would like to sponsor a meeting or know of any **product** or **company** that would benefit from sponsoring, please contact any of your Executive members. Contact information can be found at www.tmta.co
