It is through the collaborative relationships that we build with one another that we transform challenges into opportunities.

May 2017

April Meeting:

The April meeting was hosted by Charles Jones. This is a meeting we will not forget. Information was presented from technology, tracking tools, lights and batteries. The amount of prizes will go into the record books. We learned that SERVICE SERVICE SERVICE drives Charles Jones and that is what we witnessed. Please contact any of their branches and let them know you found out about them through TMTA. We look forward to a long good working relationship!

May Meeting:

Our May meeting sponsor is **Phillips Industries**. Based in Santa Fe Springs, CA, USA Phillips Industries is a leading innovator and manufacturer of advanced electrical and air brake system components, as well as electronic solutions for communicating vehicle data to fleets and their drivers for the commercial truck and trailer industry. Phillips' products are standard on nearly 100% of Class 8 trucks; more than 50% of all trailers manufactured in North America, and can be purchased at virtually all premium distributors. Phillips has manufacturing and distribution facilities throughout the US and Canada, as well as Mexico, China, and Europe. Phillips maintains active membership in key industry associations including TMC, SAE, Heavy Duty Manufacturing Association and various state trucking associations. Their manufacturing facilities have earned the top-quality accreditations including ISO/TS 16949 and ISO 14001 as well as multiple prestigious customer awards from Daimler, NAPA, and many others.

New Members:
