## October 2012

### September Meeting:

It was a pleasure to have Paul Penney, Regional Sales Manager for central Canada for Webasto as our sponsor for the evening. The background and product information was excellent and helpful as we all face tough environmental issues regarding emissions.

### October Meeting:

This month's meeting will be our biannual trade show, and will feature special guests Brian Burke of KOOL FM and Miss Oktoberfest. There will be many informative displays of products and services available to the industry. The trade show is open to all industry personnel, not just members, so bring a coworker.

### Ladies Night:

Things are in place for what should be a fantastic evening. Tickets are available from any executive member. There are still some opportunities for sponsorship of the first **TMTA** ladies night gala. We look forward to seeing everyone.

### Sponsorship

With **2012** in full swing, it brings with it another year of sponsorship opportunities. If anyone would like to sponsor a meeting or know of any **product** or **company** that would benefit from sponsoring a meeting, please contact our sponsorship chair **Jim Pinder** at **519-780-5820**, or any member of the executive. Presently we have opportunity in the spring.

### Trade Show:

The trade show is here, but there is still some last minute spaces available, contact Mark Polland or Doug Bannon for details. The doors will open at 5pm and should prove to be a great evening.

### Be Informed / Did You Know:

Remember your old name badges, as the new ones will not be available till December. See the new **TMTA** golf shirts available for the 1 time celebration price of \$20.00. Orders can be made at the door, with payment due upon order. The deadline for orders will be the November dinner meeting.

### From The Kitchen Staff:

The evenings' menu will be Oktoberfest Sausage on a bun with sauerkraut, stuffed potato and corn, served in the center of the trade show area.
