September 2012

June Meeting:

Highway Sterling Western Star was our sponsor at our June meeting we would like to thank them along with the speaker for the evening **Matt Gervais, District Sales Manager for Central Canada**. Matt shared new information on Western Stars' company profile and product offerings, which was well received by all who attended. Thank you again to **Highway Sterling Western Star** for sponsoring our dinner meeting and Matt for giving of his time.

September Meeting:

Our sponsor for this month will be **Wabasto**. **Paul Penney Regional Sales Manager for Central Canada** will be representing **Wabasto** and our speaker for the evening. Paul's topic is "Anti-idling Solutions". With the colder weather on the way and yes it will come, we should all be proactive and ensuring our fleets are prepared. Come join us and find out what is new from our sponsor **Wabasto**.

Special Announcement:

As many of you know over the past several months we the executive members, along with others have been working to form a new organization, which we feel, better reflects our needs. To that end we have formed a new association and we are very proud to announce that as of July 26th 2012 we are now incorporated and the **Transportation Maintenance & Technology Association – Waterloo Region** or **TMTA Inc.** is born. I think we should all thank those that were instrumental in making the decision to form the new organization and all those involved in bringing it together. There are exciting times ahead.

Trade Show:

We would like to remind everyone about our semi-annual trade show that will be held on **October 4, 2012**. Forms for booth rentals are available from Mark Poland, or Doug Bannon or on our website. Brian Burke of KOOL FM, as well as Miss Oktoberfest, will be our guests for the evening.

Ladies Night: November 3rd - 2012

The first Ladies Night for the TMTA will be held on November 3rd - 2012. Please promote this event to colleges and friends and bring a group out. As in years past there are also sponsorship opportunities that go along with an event of this kind. If you would like to sponsor part of the event please contact any executive member for more information.

Sponsorship:

There are only two sponsorship opportunities left for 2012. If anyone would like to sponsor or co-sponsor a meeting or know of any **product** or **company** that would benefit from sponsoring a meeting please contact our sponsorship chair **Jim Pinder** at **519-780-5820**, or any member of the executive.

From The Kitchen Staff:

The evenings' menu will be Fresh Rolls, Vegetables, Salads, Pork Schnitzel, and Sauerkraut with Garlic Mashed Potatoes.
