*It is through the collaborative relationships that we build with one another that we transform challenges into opportunities.*

## June 2018

### May Meeting:

The May meeting was hosted by **All-Brite Glass and Tint**. Terry Aivaliotis and Al Hughes gave an excellent and very informative presentation on the importance of quality, well installed glass.

### June Meeting:

The June meeting will be hosted by **Groeneveld**. Groeneveld has the philosophy that if you want to provide a really good product, you need to develop and manufacture it yourself. Groeneveld assembles all its products in its own production facilities. A Groeneveld automatic lubrication system offers better lubrication, lower repair and maintenance costs, increased up-time and higher residual value of equipment.

### Sponsorship:

If anyone would like to sponsor a meeting or know of any **product** or **company** that would benefit from sponsoring, please contact any of your Executive members. Contact information can be found at [www.tmta.ca](http://www.tmta.ca)

### College of Trades:

To stay in touch with the progress and activities of the Ontario College of Trades go to their web site and sign up for the OCOT E-Newsletter. [www.collegeoftrades.ca](http://www.collegeoftrades.ca) as always you can also direct your questions to Jim Pinder or Jake Francis.

### Special Notes:

TMTA Waterloo is looking for nominations for **Apprentice of the Year**. Please encourage your young people by nominating them today. TMTA Waterloo is also looking for sponsors for the award. Contact information can be found at [tmta.ca](http://tmta.ca). TMTA Waterloo is also looking for individuals who would like to give back to their association, as we are in need of directors.
