OCTOBER 2019

Recommended Practice:

RECOMMENDED PRACTICE (RP) As October is the TMTA Tradeshow we will not have a RP this month, it will return in November. If there is an RP that your fleet has embraced or an RP you want to know more about, we can highlight it in an upcoming meeting. Please contact Jim Pinder at jpinder@erbgroupp.com .

September Meeting:

The meeting was Hosted by **Transtex**, for more information on Transtex and their innovative products go to transtex-llc.com

October Meeting:

The October Meeting will be the **TMTA Waterloo Tradeshow**. We encourage everyone to come out and see the new and exciting products from our local parts and service providers!

College of Trades:

Recently many of you would have received an email from the College stating “*The College has placed a temporary pause on membership fee collection in order to make the necessary technical changes to reflect the new fee structure.*” This is as a result of the Ford governments Bill 100, Protecting what matters most act. For more info go to www.collegeoftrades.ca and as always you can also direct your questions to Jim Pinder or Jake Francis.

Special Notes:

TMTA Waterloo is now taking submissions for the **Apprentice of the Year Award**. Now is the time to look within your shops and nominate your up and coming techs! For more information you can go to the TMTA website (tmta.ca) or speak to any executive member. Let’s encourage our young people to be involved in their success as well as ours!

From the Kitchen Staff:

The evenings’ menu will be **Oktoberfest Sausage/Sauerkraut/Veal Schnitzel and German Potato Salad/Pretzel buns** as well as a fresh medley of salads and desserts.
