It is through the collaborative relationships that we build with one another that we transform challenges into opportunities.

December 2022

November Meeting:

The November meeting was hosted by Grote Industries onsite at their facilities in Waterloo. We were treated to a very impressive and informative tour of the production floor to see how the most innovative lighting technology company produces their industry leading products. TMTA Waterloo would like to thank them for a wonderful evening.

December Meeting:

TMTA Waterloo Region member Kevin Vieth, former Cummins factory trainer and owner of WholeFleet Diagnostics has been helping fleets reduce downtime and service costs through technical training and diagnostic solutions. Kevin will be delivering a short training session on DEF system operation, management and troubleshooting for multi-brand fleets based on his experience working directly with fleets across Canada and the US. Timely information for all fleets, looking forward to our membership coming out and supporting someone that supports TMTA. See you there!

Special Notes:

Please welcome our new member, Eugene Shantz from Sauder Transport.

December is the TMTA Years of Service Awards. We have many members to honor as we have missed the last two years! TMTA 2023 membership fee invoices have been sent out. If you have not received your invoice, please speak with Don Herner and he will see that you have received it. Membership fees are due December 31, 2022, and we can accept cash, cheque, and e-transfer.

We ask that you please RSVP to each meeting, you can do so by emailing waterlooregion@tmta.ca. If you have stated your intent to attend, we ask that you please do this. RSVP is used to determine how much food we need to have prepared, and it also helps to let the sponsor know approximately how much they are spending! Each plate that goes un-eaten cost the sponsor \$40.00!

TMTA Waterloo Region needs directors. If you would like to give back to your organization, we encourage you to come to the next executive meeting and observe to see if it is something that you would be interested in joining, there is no obligation.
